

Tour description

Experience Europe the way it once was. Old habits die hard in Bosnia & Herzegovina, preserving the ancient traditions of all the peoples of B&H.

Bosnia and Herzegovina is a melting pot of many different cultures, a bridge between East and West. The traveler's experience is like none other, from Roman times to the reign of the Bosnian Kings, from the Ottoman Period, the Austro-Hungarian Empire and the Yugoslavian era with Marshal Tito as its leader. Bosnia and Herzegovina is also a paradise for nature lovers. Soaring mountains, untouched forests and nature, make it an ideal holiday destination for adventurers and nature lovers alike.

Your trip will start in Sarajevo, the capital of Bosnia and Herzegovina, and one of the most oriental and culturally-diverse cities in Europe.

Visit Mostar, the most beautiful city in Herzegovina, which is proclaimed as a UNESCO World Heritage Site for its Old Town, the famous bridge over the turquoise-green Neretva River. Here, in the heart of the city every day, people from all over the globe meet and admire the art and skill of Turkish architecture, enjoying charm of ancient buildings along interwoven streets. You will have the opportunity to meet Pocatelj place, a unique village listed on the UNESCO list, which is great except for oriental architecture and Ottoman verse, known as the host of the art colony with the longest tradition in southeastern Europe.

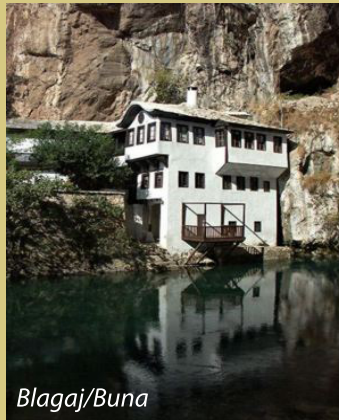

Bosnian Pyramids?

Make your own decision, and find the truth about this nowadays mystery.

Sarajevo at night

Medieval tombstones

Blagaj/Buna

Scientific facts about this research project are not determined yet, but many material and physical evidence, as well as a recent international verifications, proves that the Bosnian Pyramids are truly an ancient colossal structure with easily recognizable pyramid shape. Admire the interior and architecture of the Sultan Mehmed Fatih's mosque, which had been built on the foundations of a medieval church.

Come, explore and feel the spirit...

A rendezvous with Bosnia and Herzegovina

About hostel Feri and mountain Igman:

* Igman is a mountain in central Bosnia and Herzegovina. Located southwest of Sarajevo, surrounded by the mountains Bjelašnica, Visočica and Treskavica.

Igman is a very popular destination for hiking and skiing, with one of the richest concentrations of ozone in Europe. During the 14th Winter Olympic Games, Igman was along with Jahorina and Bjelašnica, one of the main battlegrounds for competitors.

* Hostel Feri was opened in December of 2008, and has been built according to the latest international standards, and as so, it belongs to the so-called group "Hostel of the new generation."

It's located and surrounded by the beautiful and intact nature of *Veliko Polje*, in the heart of the Olympic mountain Igman.

This modern hostel has 39 rooms and a capacity of 103 primary and 21 supplementary beds placed in double, triple, quadruple rooms, and one room with 6 beds. Every room has a shower, toilet, satellite TV, high speed internet connection (4096/384 kbps), and direct dial phone.

Most rooms have a balcony with a beautiful view on the nature.

Hostel facilities: restaurant, cafe bar, conference hall, parking, fitness, sauna, recreation center, internet center, courts for beach volleyball, basketball, football, and childrens playground.
